Doing the Two. Just Do the 2

Love God and Love others

Matthew 22:36-

Memory Verses

The LORD is my light and my salvation; whom shall I fear? the LORD is the strength of my life; of whom shall I be afraid?

Psalm 27:1

We studied Goliath just before we studied Jesus' birth. We learned that Goliath was over 9 feet tall. We also so learned the above memory verse telling us we have the Lord for strength and should never be afraid.

Dear Parents,

I pray you had a blessed time off with your family this holiday season. I have enjoyed my time off but I am ready to get back into the routine of things. We will be finishing up on testing for report cards this week. Report cards go home next Wednesday.

A few new school supplies are needed for your students. Most of our markers are drying out or lost. Please purchase a new box of skinny Crayola markers. Also needed is a large pink eraser. Ask your student about their pencil bag. Some of them have gotten holes in theirs. I had intended on sending a note before the Christmas break but realized after everyone had gone home I had not passed out the notes.

We are going to have our pizza celebration for all the students knowing their addresses. I have will send a note later letting you know all the details.

Also, we always have a big celebration on the 100th day of school. I will be sending more information home about that very soon. If the we do not have any snow days then the 100th day of school will be January 25th.

If you have not looked at the school website in a while, check it out. On the Kindergarten page you will find the Kinder News Letter for each week and the Book it Reading Logs. On this month's reading log students are to read 10 fiction books, 10 nonfiction books and 2 chapter books. When we go to the library on Thursday I will be sure your child brings home a chapter book and a nonfiction book. Please be sure they bring their library books back so they can check out new books.

Thanks,

Mrs. Crumby

Please be sure to send your child to school with a jacket or coat. Keep a hat and gloves in their backpacks. If the temperature and wind chill is above 35 degrees we usually go outside. Be sure to label them with your child's name.
